At Prodeo Academy, our scholars reach their potential in...

... A school that believes in each of them and expects results.

We have high expectations for behavior and rigorous academics for a college preparatory education.

... A school that provides joyful, rigorous, individualized instruction.

Our scholars receive instruction based on his/her individual needs in small groups for over half of each day.

... A school that celebrates the power of excellent teaching.

Our teachers have achieved results and they hold themselves responsible for student learning.

... A school built on best practices.

Our leaders have researched and worked in over 30 high-performing schools across the country.

... A school committed to partnership.

We partner with parents, families, and preschools.

We focus on reading and math to prepare your child for success.
